OUR CAPABILITIES

Educational Support

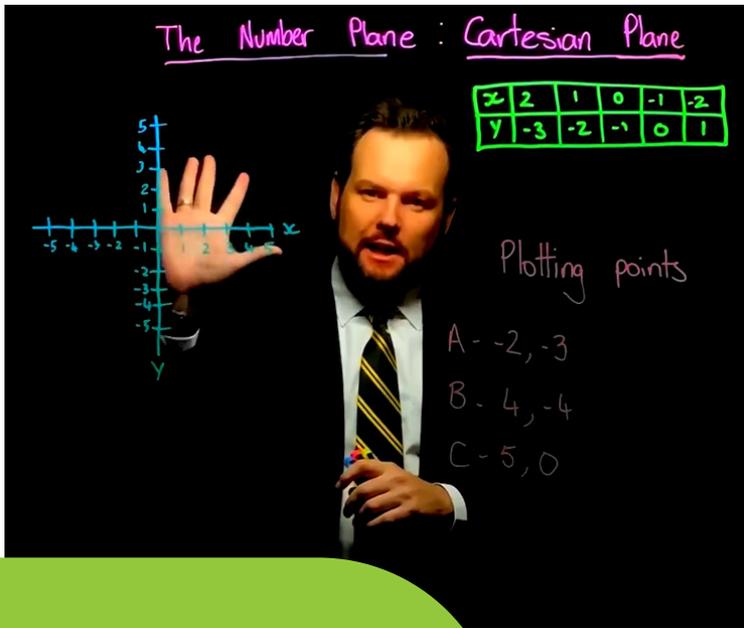

Because learning is easier when you have an excellent teacher, Team Tiddalik are highly skilled, experienced and engaging educators. We can deploy strategies in a range of areas including:

- Curriculum Review and Design Services
- Course and Unit Creation
- Assessment and Reporting Design
- Pastoral Care Plans
- Internal System Reviews
- Reconciliation Action Plan (RAP) Design
- Tiddalik Lightboard Screens
- Digital Course Design, Creation and Delivery
- Online Assessment Solutions
- Resource Development Training
- Teaching and Learning Strategies
- Mentoring

Training with Tiddalik Learn

Tiddalik Services provides face-to-face training, and our online learning platform, Tiddalik Learn, can deliver a vast array of online learning solutions. Whether you are an Early Learning Centre, School, University or an RTO, we can support you in the planning, creation, implementation, delivery, and review of your training programs, including:

- Individual, division and cross-organisation training, coaching and counselling programs
- Public and Community Information Delivery Projects
- Tailored Course Design
- Hybrid Learning Modes (face-to-face and online)
- Culturally Diverse/Specific Programs

OUR PURPOSE

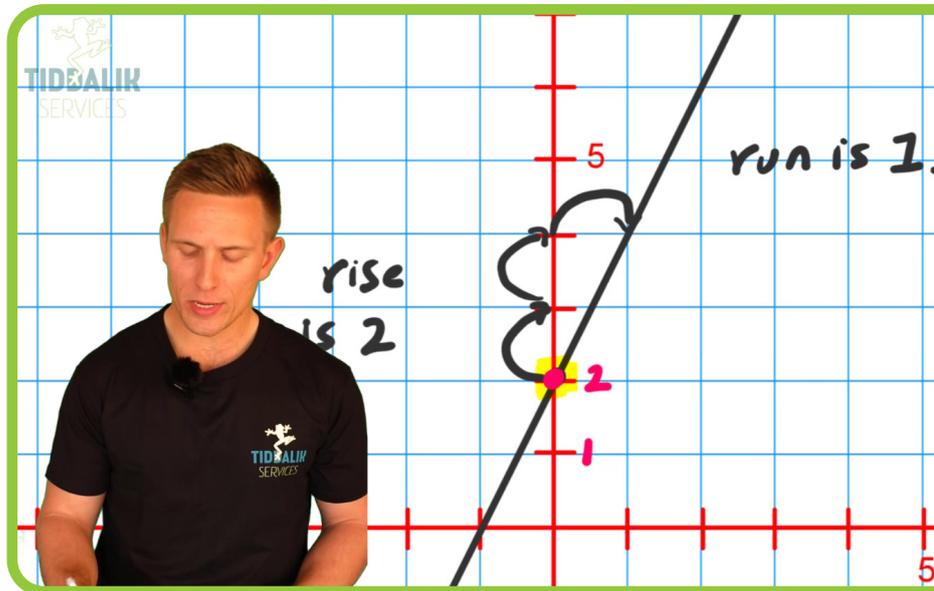

Our products and services address clients' needs from various industries, organisations and groups. Our philosophy, Inspiring a Thirst for Knowledge, drives our desire to support and advocate for all sectors of our community.

We seek to serve all our client groups effectively and with empathy. As an Australian Indigenous Business, we also have a keen desire to help, support and champion the needs of Indigenous people seeking to succeed and grow.

Information Technology Services

Team Tiddalik can support your organisation with the creation and implementation of new technologies. We can advise and establish sensible and cost-effective workflow solutions for your organisation in a number of areas, including:

- Manage Web Hosting
- Website Design
- Online solutions for:
 - Rural and Remote Communities
 - Small schools, tutors, companies and organisations
- Learning Management Services: Design, Development & Delivery
- Student Management
- Accessible Learning Content
- App Integration
- Training & Support
